However, please note that the fees do not cover emergency medical services, additional room charges, or the costs of companions who are hospitalized. Furthermore, the costs do not include emergency medical services, health stabilization measures, or treatment for conditions unrelated to the primary diagnosis. Additionally, any extra medications not pertinent to the primary diagnosis, unforeseen expenses such as extended hospitalization or other supplementary medical services, and personal living expenses, including household goods, food, shopping, and personal travel are also excluded。上述预计治疗费用根据患者及/或其代表提供的信息及医生预计实施的治疗计划初步估计。费用包括根据治疗计划所需的所有检查、按照治疗计划进行的治疗；常规的医疗服务、医生会诊、护理服务、检查、化验、房间费及留院陪住人员的费用等。费用不包括：紧急医疗服务、健康状况稳定措施及与主要诊断无关的疾病治疗；与患者主要诊断无关的额外药物、意外费用，如延长住院时间或其他额外的医疗服务；生活用品、饮食、购物、个人出行等生活费用等。

When the balance of charges falls below $10,000 estimated 70,000 RMB, the hospital will notify the patient to replenish it in a timely manner. If the balance is not replenished in a timely manner, the hospital care and services received by the patient may be affected or even suspended.剩余金额可在抵达医院当日办理入院时一次性或分次支付，最低金额不少于 10,000 美金相当于 70,000 人民币。住院期间的治疗、医疗服务费会直接从已支付的费用中扣除。当费用余额低于 10,000 美金相当于 70,000 人民币时，医院会通知患者及时补充。若未能及时补充，患者接受的医院护理和服务可能会受到影响甚至暂停。

Disclosure of Information 信息披露：

Occasionally, patients or their authorized representatives may request the hospital provide copies of specific documents, images, or medical records. Since these requests often involve significant copying or related incidental expenses, the patient is responsible for covering these costs. Therefore, the hospital requires that all such expenses be paid in full before the requested documents are released. 患者或其代表可能会不时要求医院给患者复印和/或提供某些文件、图像或医疗记录。由于这些请求通常会有大量复印或其他杂费，患者需要负责支付此类费用。因此，医院要求在交付文件之前全额支付这些费用。
